History of King William's War

King William's War was the first in a series of colonial conflicts between France and England for supremacy in North America. The major goal, other than prestige, was the control of the fur trade. All of these struggles had European counterparts that were often of greater significance than the American events.

King William`s War: The First of the French and Indian Wars

King William's War, also known as the Second Indian War and the First French and Indian War, was an armed conflict between England and France in North America in the 17th century. The war in America was an extension of the Nine Year's War in Europe, also known as the War of the Grand Alliance, that was a battle for the English throne.
